Welcome to Ozark Opportunities, Inc. Board of Directors! During our board meeting on May 30, 2019 members of the board unanimously voted to have you join their ranks.

Ozark Opportunities, Inc. is a 501(c)3 private non-profit community-based organization dedicated to addressing the needs of low-income families in Baxter, Boone, Marion, Newton, Searcy, and Van Buren Counties. We were formed during the “War on Poverty” in 1965, and have been agents for change in support of low income families since.

Our mission is to partner with organizations, families, and individuals to provide services and empowerment opportunities for those with limited means to improve their quality of life. It is our honor to serve an organization that helps meet the needs of so many in this six county area. The many diversified programs operated by OOI serve thousands of individuals and their families each year.

I have provided contact information below for each functional area of the agency. Please don't hesitate to call them or me if you have any questions or concerns. We will be in touch soon regarding an orientation where we will share more information about our organization, review board responsibilities and answer any question you may have.

Sincerely,

Richard T. Atkinson
Chief Executive Officer
